- 4 Two players of equal record: the winner of the Group match
- 5a Three or more players of equal record: the best performances between those players after removing Group result(s) of non-equal record player(s)
- 5b Should "5a" apply and there be two remaining equal record players, then "4" should then be applied
- 6 Highest Break(s) as written and signed for on the scoresheet (please note: unstated high break(s) will not be considered)
